We request you provide a specific PMS coated number (Pantone Matching System - eg. PMS 185C Red) when submitting your order. Custom color match set up charge - \$50.00 per color when PMS number is not provided.

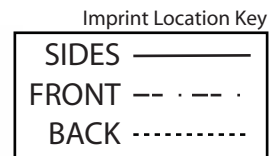

PRODUCTION ART WORK REQUIREMENTS: Please provide your customer's art department with the following specifications to meet our production needs:

Vector Artwork is the preferred format. A Raster Graphic where one measurement is at least 5 inches at a resolution of 600PPI is also acceptable (3000 pixels x 3000 pixels). These specifications are required and provide you with the best possible results. Any images lower than these specifications will be rejected by our art department. Artwork recreation/editing is also available at a fee of \$100 to meet the requirements of our printing process. Typesetting services are also available at a flat fee of \$70. Font style must be on file. Fonts not on file will be quoted prior to layout being produced.
